

USA-2

10 May 1968

Proposed Section 7 of S. 1779

Sec. 7. No department, agency, officer, or employee of the United States shall require any recipient or any other beneficiary of any grant made under this act to engage in intelligence activities relating, directly or indirectly, to any activity supported by such grant; provided, however, that nothing contained herein shall preclude any such recipient or other beneficiary from providing the United States Government any information:

- (1) provided for by section 4 (b) of this Act, or
- (2) which, in the opinion of the recipient or other beneficiary, would be in the national interest, or
- (3) authorized under law, directly relating to the violation of any criminal law of the United States by such recipient or beneficiary.
